Tornado Tigers · Practice 2 · Court, dribbling, passing

Tue Nov 10 · 5:30-6:30 pm · Rockwell Elementary · Coaches Brett and Cameron

Before 5:30: Coaches arrive 5:20: pump balls, poly spots out, lower hoops to 8 ft, water bottles along one wall, two groups (5 and 4). Talk less: one sentence, show it, go. Attention signal every time: "Hands on your head!" Let an experienced player demo each drill.

- [ ] **5:30** **Opening huddle**
  Kids in a half circle. One sentence: today we learn the court, dribble with both hands, pass and move, and finish with a shooting game. Whistle means stop and hold the ball.
  Say: Eyes on me, ball on your hip
  Coaches: one leads, one keeps everyone listening

- [ ] **5:32** **Warm-up: lines walk > Freeze dribble tag**
  2 min: follow a coach around the lines (jog the baseline, skip the sideline, shuffle half court). Then everyone dribbles inside the half court. Coaches are it. Tagged or stepped out of bounds = freeze and dribble 5 times with your other hand, then you're back in.
  Say: Stay inside the lines
  Coaches: one calls it, one at the far end

- [ ] **5:42** **Skill 1: Court and boundaries (Dribble command)**
  Like Simon says. "Coach says dribble to the baseline / sideline / half court / the paint / free-throw line." Mix in high, low, right hand, left hand. No "Coach says" = don't move. Call "Out!": everyone stops on the nearest out-of-bounds line.
  Say: Find the line, freeze on it
  Coaches: demo together, then one coach per group

- [ ] **5:52** **Water**
  Balls on spots, walk to bottles. Meanwhile the other coach sets out cones and spots for the next game.
  Coaches: one runs it, one sets up the next drill

- [ ] **5:54** **Skill 2: Both hands (dribble relay)**
  Two teams on the baseline (5 and 4). Dribble to half court with your right hand, back with your left, high-five the next player. Round 2: low dribble. Round 3: eyes on the coach, who holds up fingers. Cheer for both teams.
  Say: Right hand down, left hand back
  Coaches: demo together, then one coach per group

- [ ] **6:04** **Skill 3: Pass and move (Pass & cut away > hot potato)**
  Three lines in a triangle, 8 ft apart: pass to the next line, then run to the back of a different line. Then one big circle: say a name, pass to them. Coach calls "Move!": everyone runs to a new open spot and keeps passing.
  Say: Pass, then move to open space
  Coaches: demo together, then one coach per group

- [ ] **6:14** **Water**
  Balls on spots, walk to bottles. Meanwhile the other coach sets out cones and spots for the next game.
  Coaches: one runs it, one sets up the next drill

- [ ] **6:16** **Shooting game: Beat the coach**
  One group at each basket, close spots (block, elbow). Each make = 1 point for the team, each miss = 1 point for the coach. First to 10. Call out the spot names as they move.
  Say: Eyes on the rim, reach for the basket

- [ ] **6:25** **Closing huddle**
  "Who can point to the baseline? The sideline?" Vote: favorite game today? (We'll repeat it.) Try at home: 20 dribbles with each hand. Team cheer.
  Say: Then raise hoops, sweep, hand off to parents
  Coaches: one leads, one keeps everyone listening
